RE: Update you on my legal filing

Mr. Goncalves,

Thank you for taking you time out of your busy day to read this correspondence. I wanted to apprise you of a lawsuit I filed against AK Steel prior to Cleveland-Cliffs Inc. merger/acquiring AK Steel. Legal counsel for AK Steel never apprised me of the merger/acquisition so that is the reason for letter as I added you as the new owner/partner of AK Steel in my legal court filings and do not know if you were informed before or during your purchase.

Please find enclosed my recent court filing in the Pennsylvania Supreme Court ***Petitioner's Notice of Appeal Addendum 2-23-21***. I would encourage you to read the ORDER as part of the court filing as again, I am not sure you are aware of the issues and criminal activity at the Butler plant.

I would encourage you to go to my website at **1776ToTyranny.com** then go to the "**Timeline of CORRUPTION**" page to review my court filings and evidence that can be downloaded and printed by your legal team. To provide the timeline of what has transpired I would suggest your legal team scroll down the page and read the **Concise Statement** to get up to speed. **Senator Rubio** started a **Congressional Inquiry** on my case as well.

It appears Cleveland-Cliffs Inc. was defrauded in your merger/acquisition so I am willing to speak with your legal team to help you in any way I can to make those that defrauded you criminally and civilly responsible to recover the damages I am seeking and as of right now Cleveland-Cliffs is liable.

You or anyone from your legal team is welcome to call me anytime.

Sincerely,

Joe Myers
