Congressman Jim Jordan
House Oversight and Government Reform Committeeman
2056 Rayburn House Office Building
Washington, DC 20515

Congressman Jordan,

My name is Joe Myers and with the recent criminal activity exposed against General Flynn and your comment – if it happened to him it could happen to anyone – is WHY I am reaching out for your assistance for a hearing with the **House Oversight and Government Reform Committee** and full criminal and civil investigation regarding the violation of my Constitutional Rights at the local, state and federal level.

Senator Rubio and Congressman Rutherford started a **Congressional Inquiry** with the U.S. Department of Justice and the Federal Bureau of Investigations (see enclosed email from Senator Rubio to me stating he was starting a Congressional Inquiry). After starting the inquiry Senator Rubio received a letter from **Calvin A. Shivers, Deputy Assistant Director of the Criminal Investigative Division**. The enclosed letter to Senator Rubio was time/date stamped 2-12-20.

I was born and raised in Butler, PA for 42 years and then moved to Jacksonville, FL in 2004. While living in PA a crime was perpetrated against me at the local, state and federal level. Since I moved to Florida I had former President Bush, former FBI Director Mueller, OSHA, former Senator Martinez, former Senator Nelson as well as other government officials and agencies violate and refuse to protect my Constitutional RIGHTS GUARANTEED to me and EVERY CITIZEN.

Only Senator Rubio and Congressman Rutherford have done anything to investigate and prosecute all of those in the local, state and federal government that were part of conspiring against my rights under **Title 18 Section 241 Conspiracy Against Rights**.

Also enclosed is my **Appellant's Brief** that I filed in the Superior Court of Pennsylvania that details the corruption of the past 2 administrations. My request is for you to use your congressional authority to seek justice and the prosecutions of all of those involved that have violated my Constitutional Rights. Additionally you will see the evidence of corruption at the local level by former Pennsylvania Butler County District Attorney Tim McCune.

Visit my website www.1776ToTyranny.com and go to the "**Timeline of Corruption**" page **TO REVIEW ALL THE EVIDENCE/EXHIBITS** and read the letter I sent to **then U.S. Attorney General Ashcroft on March 7, 2003** detailing the corruption perpetrated on me from local, state and federal government officials – which is criminal!

Review the **Government Exhibits** on the website and the letters I received back from former President Bush, Senator Nelson and Senator Martinez. **Government Exhibit 9** is letter dated March 16, 2005 from OSHA Regional Director Richard D. Soltan to me lying stating OSHA could not take any action with regarding my discharge from AK Steel because OSHA did not receive a complaint of discrimination from me. He ignored the numerous correspondences between OSHA Area Director Robert Szymanski and myself since my illegal termination in 2001. **ALL officials and agencies did nothing!**

May I remind all the elected and appointed officials of the words of **Justice Brandeis** as he eloquently affirmed his condemnation of abuses practiced by Government officials in the case of **Olmstead vs. U.S. 277 US 438, 48 S.Ct. 564, 575; 72 L ED 944 (1928)** he **declared:**

"Decency, security, and liberty alike demand that Government officials shall be subjected to the same rules of conduct that are commands to the Citizen. In a Government of laws, existence of the Government will be imperiled if it fails to observe the law scrupulously. Our Government is the potent, the omnipresent teacher.

For good or for ill, it teaches the whole people by its example. Crime is contagious. If the Government becomes a law-breaker, it breeds contempt for law; it invites every man to become a law unto himself. It invites anarchy. To declare that, in the administration of the law, the end justifies the means would bring a terrible retribution. Against that pernicious doctrine, this Court should resolutely set its face."

I would be glad to come to your Washington office to discuss further.

I have sent letters to **President Trump** and U.S. **Attorney General Barr** as well apprising them of the corruption.

This is a government for the people and by the people so please don't let us down!

I look forward to hearing from you very soon.

Sincerely,

Joe
