Hello Chris,

Please find attached the recent **Superior Court of Pennsylvania Order dated 2-18-20** sent to me from the requesting of me as to why my case should not be transferred back down to the Commonwealth Court even after the Superior Court granted my request for Appeal in the attached **Superior Court of Pennsylvania Order dated 2-14-20**.

Also please find attached my court filing **Response to Superior Court of Pennsylvania Order dated 2-18-20** that not only responds as to why my case should NOT be transferred back down to the Commonwealth Court but I also added to the court filing a **Writ of Mandamus, Extraordinary Jurisdiction** and a **Request for Extension For Filing Brief** that are more reasons WHY my case must be transferred back to the Supreme Court of Pennsylvania where I originally filed the **Notice of Appeal**.

I have filed this information with Senator Rubio to forward to the U.S. Department of Justice and the FBI to be part of the ongoing congressional inquiry.

Respond so I know you have received this email.

Please pass on this information to Congressman Rutherford. Feel free to contact me with any questions you may have.

Thank you for your continued support to uphold the Constitution of the United States.

Sincerely,

Joe Myers
