To "Rubio, Casework (Rubio)"

Per our emails from this email address and my email of [1776ToTyranny@gmail.com](mailto:1776ToTyranny@gmail.com) I am not sure why you cannot receive my pdf attachments or download them from my website at [1776ToTyranny.com](http://1776ToTyranny.com) as Congressman Rutherford's office is able to receive pdf attachments via email and download them from my website as well.

Because of the difficulties via email I have Priority mailed you the latest updates in my court case for you to add to the congressional inquiry to forward to the U.S. Department of Justice and the FBI.

Please find enclosed in the mailing you should receive in a day or two the **Notice of Appeal to the Supreme Court of Pennsylvania** dated 12-18-19 and the **Superior Court of Pennsylvania Docketing Statement** dated 1-7-19. I detail in the Docketing Statement why my case should not have been transferred down to the Superior Court from the Supreme Court.

Please let me know when you have received my mailing.

Thank you for your continued assistance.

Attachment available until January 18, 2020. Please find attached the court filing to the Pennsylvania Supreme Court, **Notice of Appeal**, that I filed yesterday at the Butler County Pennsylvania courthouse.

The court filing details the corruption of the Butler County court system and the continued FRAUD by all involved as well as Defendant Cunningham that illegally made a ruling against me when he knew I had named him as a Defendant a month before his illegal court OPINION/ORDER.

Please forward to the U.S. Department of Justice and the FBI as well.

Also, please respond to know you received this email.

Thank you,
