Senator Rubio,

Please find attached the recent **Order dated 2-18-20** sent to me from the Superior Court of Pennsylvania requesting of me as to why my case should not be transferred back down to the Commonwealth Court even after the Superior Court granted my request for Appeal in the attached **Order from the Superior Court of Pennsylvania dated 2-14-20**.

Also please find attached my court filing **Response to Superior Court of Pennsylvania Order dated 2-18-20** that not only responds as to why my case should NOT be transferred back down to the Commonwealth Court but I also added to the court filing a **Writ of Mandamus, Extraordinary Jurisdiction** and a **Request for Extension For Filing Brief** that are more reasons WHY my case must be transferred back to the Supreme Court of Pennsylvania where I originally filed the **Notice of Appeal**.

Please pass on this information to the U.S. Department of Justice and the FBI to be part of the ongoing congressional inquiry.

Please feel free to contact me with any questions you may have.

Thank you for your continued support to uphold the Constitution of the United States.

Sincerely,

Joe Myers
