Dear Governor DeSantis,

Thank you for your time to review this correspondence from me.

My name is Joe Myers and I was born and raised in Butler, PA for 42 years and then moved to Jacksonville, FL in 2004. While living in PA a crime was perpetrated against me at the local, state and federal level. Since I moved to Florida I had former President Bush Jr., OSHA, Senator Scott, former Senator Martinez, former Senator Nelson as well as other government agencies violate and refuse to protect my Constitutional RIGHTS GUARANTEED to me and every citizen.

Only Senator Rubio and Congressman Rutherford have started a **Congressional Inquiry** since I refiled a lawsuit in May 2019 in PA and sent them both a letter regarding my new lawsuit. I have recently requested Senator Rubio and Congressman Rutherford to schedule a **Congressional Hearing** to investigate and prosecute all of those in local, state and federal government that were part of the **Title 18 Section 241 Conspiracy Against Rights** against me.

This letter and enclosed **Appellant's Brief** that I filed in the Superior Court of Pennsylvania details the corruption of the past 2 administrations. My request is for you to use your authority as Governor to seek justice and the prosecutions of all of those involved that have violated my Constitutional Rights. Additionally you will see the evidence of corruption at the local level by former Pennsylvania Butler County District Attorney Tim McCune.

Visit my website www.1776ToTyranny.com to read the letter I sent to *then U.S. Attorney General Ashcroft on March 7, 2003* detailing the corruption perpetrated on me from local, state and federal government officials – which is criminal!

Check out the **Government Exhibits** on the website and the letters I received back for President Bush Jr., Senator Nelson and Senator Martinez. They did nothing so I hope that won't be you as well.

May I remind you and every person in elected and appointed positions the words of **Justice Brandeis** as he eloquently affirmed his condemnation of abuses practiced by Government officials in the case of **Olmstead vs. U.S. 277 US 438, 48 S.Ct. 564, 575; 72 L ED 944 (1928) he declared:**

"Decency, security, and liberty alike demand that Government officials shall be subjected to the same rules of conduct that are commands to the Citizen. In a Government of laws, existence of the Government will be imperiled if it fails to observe the law scrupulously. Our Government is the potent, the omnipresent teacher.

For good or for ill, it teaches the whole people by its example. Crime is contagious. If the Government becomes a law-breaker, it breeds contempt for law; it invites every man to become a law unto himself. It invites anarchy. To declare that, in the administration of the law, the end justifies the means would bring a terrible retribution. Against that pernicious doctrine, this Court should resolutely set its face."

I would be glad to come to Tallahassee to meet with you to discuss further.

I have sent letters to **President Trump** and U.S. **Attorney General Barr** as well apprising them of the corruption.

If those in elected and appointed positions choose to not honor their **SWORN OATH to uphold the Constitution of the United States of America** I have every intension of filing a lawsuit against ALL local, state and federal elected and appointed officials refusing to serve We The People!

This is a government for the people and by the people so please don't let us down!

I look forward to hearing from you soon.

Sincerely.

Joe
