Dear President Trump,

Thank you for your time to review this correspondence from me. The reason I am reaching out to you is to follow up on the letter I sent to you dated May 28, 2019. With your recent acquittal of impeachment you are well aware of what the deep state has done in Washington so I am asking that you will follow up to make sure U.S. Attorney General Barr will seek the prosecutions of all of those involved regarding the corruption I have and am continuing to deal with at the local, state and federal level.

Enclosed please find my recent **427 page court filing** dated February 4, 2020 that is a **Concise Statement** regarding my case. One of the Exhibits in my court filing is the letter I sent to then **U.S. Attorney General Ashcroft dated March 7, 2003** detailing the corruption perpetrated against me from the local, state and federal government officials which is criminal! Another Exhibit is **Government Exhibit 7** which is a letter I received from then President Bush Jr's. assistant Melissa Bennett denying my request to meet with Bush Jr.

Senator Rubio and Congressman Rutherford have started a congressional inquiry with the United States Department of Justice and the FBI so I am also requesting a meeting with you and U.S. Attorney General Barr to put an end to this corruption. Please pass on a copy of the enclosed court filing to Mr. Barr.

This is a government for the people and by the people so please don't let us down!

I look forward to hearing from you soon.

Sincerely,

Joe
