David,

I am reaching out per the email I received from Marco Rubio. See email message below to me from Marco in blue.

"Dear Mr. Myers,

I regret to learn of the problem you are experiencing with the U.S. Department of Justice. It is disappointing that your concerns have not received the appropriate attention. David on my staff has thoroughly reviewed your correspondence and contacted the U.S. Department of Justice to inquire about this matter. My office will contact you when we receive additional information regarding your case.

Please bear in mind that some federal agencies require four to six weeks to properly investigate a congressional inquiry. Although I cannot guarantee a particular outcome, I will do my best to ensure you receive a fair and timely response. In the interim, should you have any questions, feel free to call my office at (407) 254-2573 or send an email to casework@rubio.senate.gov.

Thank you for the opportunity to serve you. I am humbled by my responsibilities in the United States Senate, and I will continue to work on behalf of our state of Florida.

Sincerely,

Marco Rubio
United States Senator"

I would like to provide the attached letter I received from the Lisa A. Allen from the Office of Attorney General Civil Rights Enforcement Section dated 8-22-19. After I received the letter in the mail on 9-18-19 I called and spoke with Civil Investigator Lisa Allen who sent me the letter. I informed her that you have all the evidence you need from the letter I sent to then **U.S. Attorney Ashcroft letter from 2003 (download at 1776ToTyranny.com)** to prosecute those at the local, state and federal level. She asked for my phone number and informed me she was forwarding my case to her supervisor and he would be calling me. To date I have not received a call from her supervisor.

Please feel free to call me anytime with any questions and you can see the entire timeline of events at 1776ToTyranny.com half way down the Home page

Sincerely,

Joe Myers
