Re: Mr. Joe Myers v. AK Steel, Butler Works and Judge Tim McCune

Dear Mr. Myers:

This letter is in response to your complaint to the Pennsylvania Office of Attorney General, Civil Rights Enforcement Section (CRES), on August 9, 2019. Your complaint alleges that you are whistleblowing to state and federal agencies on illegal unsafe verbal orders by management.

Thank you for bringing this matter to our attention. After reviewing your complaint, this is not a matter over which CRES will exercise its enforcement authority. CRES generally exercises jurisdiction over cases involving patterns or practices of discrimination or that otherwise raise civil rights issues of statewide significance. Your allegations are important, but do not appear to meet these criteria.

Very truly yours,
