Please find attached the letter I sent to Senator Rubio dated May 28, 2019. The letter provides the website 1776ToTyranny.com that provides evidence of the dereliction of those I contacted in the government. There is a letter on he website that I sent to then President Bush, former U.S. Attorney Ascroft, FBI, OSHA and well as many in congress providing evidence of corruption at the Federal level but everyone turned a blind eye to the illegal activity perpetrated against me and my family.

Senator Rubio serves We The People and I demand he start a full scale congressional hearing to investigate and prosecute those that ignored my evidence!

I hereby authorize the office of Senator Marco Rubio to make the appropriate inquiry on my behalf pertaining to my request for assistance. In addition, I authorize the agency to discuss with the office of Senator Marco Rubio any condition, action, and other information associated with ANY past and present application, claim, appeal, and/or case/file that I have with the agency.
