Sheriff Slupe,

Thank you for taking my call last fall regarding my case. I am following up to request your assistance and make arrests of those that are perpetrating the criminal activity and violating of my CONSTITUTIONAL RIGHTS. As I stated before all the court fillings and my evidence can be downloaded and printed on the "**Timeline of CORRUPTION**" page at **1776ToTyranny.com**

Please find enclosed my recent court filing **Petitioner's Notice of Appeal Addendum 2-23-21** adding **Butler County, Butler County District Attorney Richard A. Goldinger** and **Corporal Tim Morando** of the Pennsylvania State Police for their part in the crimes committed against me as well as continued violation of my CONSTITUTIONAL RIGHTS.

The same information I have sent you I have sent to U.S. Inspector General Michael Horowitz and Agent Steve Daugherty from the FBI Field Office in Jacksonville Florida investigating the crimes.

Please let me know what your procedure is for the arrests for those that are complicit or directly involved of violating my CONSTITUTIONAL RIGHTS.

Feel free to reach out to me with any additional questions you may have.

Sincerely,

Joe Myers
