Mr. Goldinger,

I can respect that you are extremely busy since the courts were closed but as I hope you can have the same respect for me for having to wait 20 years for justice! I am pretty upset and if you were honest you would be as well if you were in my shoes. Then District Attorney Appellee McCune DID NOTHING and why we are dealing with this issue NOW.

Your office is SWORN TO UPHOLD the Constitution which EVERY STATE is BOUND TO OBEY and the 14th Amendment GUARANTEES me DUE PROCESS and EQUAL PROTECTION of the LAWS so when Appellee AK Steel committed a crime of endangering my life your office HAD the DUTY to investigate and prosecute BUT Appellee McCune REFUSED to do his job thereby committing a CRIME and LEGAL MALPRACTICE! If he would have done his job we would not be having this conversation 20 years later!!!

Federal Laws IF Constitutional are derived from the Constitution so you are required to investigate and prosecute those that have committed the crimes because there is NO STATUTE OF LIMITATIONS on anyone's SOVEREIGN INDIVIDUAL RIGHTS of LIFE, LIBERTY and PROPERTY and you have the duty to enforce the CONSTITUTIONAL local, state and federal LAWS. The following court decisions declares my RIGHTS and specifically my PROPERTY OF WAGES.

"The first ten amendments in the Constitution, adopted as they were soon after the adoption of the Constitution, are in the nature of the bill of rights, and were adopted in order to quiet the apprehension of many, that without some such declaration of rights the government would assume, and might be held to possess, the power to trespass upon those rights of persons and property which by the Declaration of Independence were affirmed to be unalienable rights." – **United States v. Twin City Power Co., 350 U.S. 222 (1956)**

"Among these unalienable rights, as proclaimed in the great document, is the right of men to pursue their happiness, by which is meant the right to pursue any lawful business or vocation, in any manner not inconsistent with the equal rights of others, which may increase their prosperity or develop their faculties, so as to give them their highest enjoyment. The common business and callings of life, the ordinary trades and pursuits, which are innocuous in themselves, and have been followed in all communities from time immemorial, must therefore be free in this country to all alike upon the same conditions...The property which every man has in his own labor, as it is the original foundation of all other property, so it is the most sacred and inviolable." (emphasis added) – **Butcher's Union Co. v. Crescent City Co., 111 U.S. 746 (1884)**

"The Due Process Clause protects the unalienable liberty recognized in the Declaration of Independence rather than the particular rights or privileges conferred by specific laws or regulations." – **SANDIN v. CONNOR 1995**

One last point, do I need to contact the District Attorney in each county of each Appellee or any Appellee that committed a CRIME in Butler County is that your jurisdiction?

Sincerely,

Joe

| Sir,

I have not even had a chance to review half of what you sent me. We are extremely busy, as you could expect, since the courts were closed for several months due to COVID.

What I can tell you, from what I have reviewed thus far, is that your claim is nearly twenty years old, and you are looking to pursue criminal charges under federal statutes. My office does not have jurisdiction over federal law. The U.S. Attorney for the Western District of Pennsylvania would have jurisdiction. Regardless, I will take a look at what you have presented to me and let you know what, if anything, my office can do.
