Senator Rubio,

Please find attached the **Motion For Relief** and **Motion For Extension For Rule 1925(b) Order** to be added to the congressional inquiry with the U.S. Department of Justice and the FBI.

The **Concise Statement** will be mailed to you as it will be too large to email.

Did you receive my recent mailing via Priority U. S. Mail?

Thank you for initiating the congressional inquiry and your continued assistance.

Please let me know if you have any questions.

Sincerely,

Joe Myers
