Senator Rubio, Congressman Rutherford, Representative Kelly and Governor DeSantis,

Please find attached my recent court filings to the Superior Court of Pennsylvania.

DO NOT FORGET your sworn oath to uphold the Constitution of the United States of America and to do your part to protect the INDIVIDUAL RIGHTS of my family and myself regarding the criminal activity at the local, state and federal level against us!

All the **FOUNDING DOCUMENTS** of our country are **SUCCESSIVE** and build upon each other to make sure that **INDIVIDUAL RIGHTS** are protected and established and those RIGHTS are given by our Creator and no government officials can give RIGHTS or take RIGHTS away.

The **Declaration of Independence** declares our God given RIGHTS and the usurpation's of King George violated those RIGHTS and the following are some specific usurpation's:

He has refused his Assent to Laws, the most wholesome and necessary for the public good

He has made Judges dependent on his Will alone

For depriving us in many cases, of the benefits of Trial by Jury

abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments

For suspending our own Legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever

Additionally the **Declaration of Independence** clearly states WE THE PEOPLE have total AUTHORITY over those in legislative, executive and judicial positions:

"...That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed,— That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish..."

Our representatives that signed the **Declaration of Independence** declared the following:

"In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions

have been answered only by repeated injury. A Prince whose character is thus marked by **every act which may define a Tyrant, is unfit to be the ruler of a free people.**
Nor have We been wanting in attentions to our Brittish brethren. We have warned them from time to time of **attempts by their legislature to extend an unwarrantable jurisdiction over us.** We have reminded them of the circumstances of our emigration and settlement here."

The **Constitution** establishes and mandates the framework and restrictions of the federal and state government elected and appointed positions.

The **PREAMBLE** to the **Constitution** establishes We The People ordain and establish the Constitution which clearly states the People are the ultimate authority.

The **PREAMBLE** to the **Bill of Rights** mandates more **declaratory** and **restrictive clauses** by ratifying the first 10 Amendments.

"The Conventions of a number of the States, having at the time of their adopting the Constitution expressed a desire in order to prevent misconstruction or abuse of its powers, that further declaratory and restrictive clauses should be added: And as extending the ground of public confidence in the Government will best ensure the beneficent ends of its institution." **Bill of Rights PREAMBLE** (Emphasis added)

The 14th Amendment ratified some 70 years later further restricts the states by declaring:

"No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws."

The 14th Amendment validates the State cannot deprive me of my PROPERTY (labor).

I am demanding a **Congressional Hearing** to be held to investigate the corruption against me at the federal level. Anyone that has not done anything NOT to protect my INDIVIDUAL RIGHTS is violated USC Title 18 Section 241 - Conspiracy Against Rights!

I expect a response.
